CREATIVESTUDIO™ VERSION 1.2.0
SOFTWARE ORDER FORM

Gammill Quilting Systems, the world's leading manufacturer of hand and computer-guided longarm quilting systems, is accepting FAXED Orders for the CreativeStudio Software from current Statler Stitcher® Owners.

Existing Statler Customers may order the following:

A CD containing the CreativeStudio Software (*Cost = \$15 / Price includes the cost of the CD, Shipping & Handling.*)

- A disc is required, because of the large file size.
- An interactive "Help feature/functionality" is included with the software.
- A printable copy of the User's Manual is provided in .PDF format on the CD.
